

Chicks, Ducks, Hedgehogs and Squirrels News

News for the
week beginning
13th March 2017

What have we been doing this week?

The children have had fun learning more about how gardens grow, and how to look after and care for plants. The Chicks have been making grass-heads, the Ducks have tasted different fruits, the Squirrels have made mini gardens and the Hedgehogs have created their own garden maps.

What will we be doing next week?

We will be continuing with our gardening topic next week and the children will get the opportunity to learn more about how plants grow. We will also be completing some maths and reading assessments.

We will be supporting Comic Relief on Friday 24th March and would like the children to dress up in something red, white and black. We will also be having a competition to find out who can tell us the funniest joke!

Easter Craft Pop-in

We will be having an Easter craft Pop-in on 29th March from 2.30pm - 3.25pm. Please come along and have fun making some Easter decorations with your child.

Attendance Awards

This week's winning class was the with 100% attendance. Well done

How can you help at home?

Please use the Wow slip below to let us know how your child is getting on with their writing.
