News for the week beginning 13<sup>th</sup> March 2017

## What have we been doing this week?

The children have had fun learning more about how gardens grow, and how to look after and care for plants. The Chicks have been making grass-heads, the Ducks have tasted different fruits, the Squirrels have made mini gardens and the Hedgehogs have created their own garden maps.

## What will we be doing next week?

We will be continuing with our gardening topic next week and the children will get the opportunity to learn more about how plants grow. We will also be completing some maths and reading assessments.

We will be supporting Comic Relief on Friday 24<sup>th</sup> March and would like the children to dress up in something red, white and black. We will also be having a competition to find out who can tell us the funniest joke!
