

icks, Ducks, Hedgeh and Squirrels News

News for the
week beginning

What have we been doing this week?

We have been talking about Harvest time and the children have been colour mixing different shades of green to paint apples.

We also made apple crumble and then enjoyed eating it! In maths we have been learning how to recognise numbers and count apples.

We have noticed that some children find it difficult to count a number of objects accurately.

Parent/Carer Consultations

We are looking forward to seeing you on Monday at the consultation meetings.

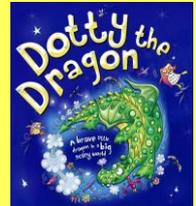

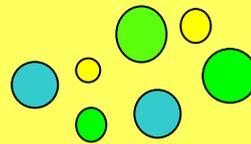

These will take place in the school hall, so please come to the main entrance 5 minutes before your allotted time.

BLOG

What **Remember to visit our weekly blog to find out what else your little ones have been up to!**

The Blunde performing 'Dotty the Dragon' for us on Tuesday.

In the classrooms we will be reading other stories about dragons and making dragon hats. In maths we will be continuing to practise counting objects correctly by counting spots onto dragons.

How can you help at home?

123

Please continue to practise the sounds with your child using the little pink sound book. They will enjoy singing the songs and showing you the actions. You could also play 'I Spy' to encourage them to listen for the sounds at the beginning of words.

Practise counting objects with your child; encourage them to point to each object as they say the number.

Pop-in

Remember to come along to our pop-in on Wednesday next week at 3.00pm to find out more about how we teach writing in school.

Please come to the Foundation Stage entrance

Thank you to everyone who came to our coffee morning. We hope you enjoyed the singing and dancing!
