

Chicks, Ducks, Hedgehogs and Squirrels News

News for the
week beginning

What have we been doing this week?

Hello everyone. This week the children have enjoyed finding out about Bonfire Night. They have made pretend sparklers and junk model fireworks. They have also learnt songs about fireworks and had a fun time at our bonfire party!

We will be supporting 'Children in Need' on Friday 18th November. It would be great if the children could come to school dressed in something spotty in return for a small donation.

Next week we will be thinking about the celebration of Diwali. The children will be making clay divas, creating rangoli patterns and tasting food.

Christmas sing – songs

The children will be dressing up and retelling the Christmas story through songs;

Chicks – Wednesday 7th December at 1.45pm

Hedgehogs – Wednesday 7th December at 2.45pm

Squirrels – Thursday 8th December at 1.45pm

Ducks – Thursday 8th December at 2.45pm

How can you help at home?

Please continue to help your child with their number work at home. You could try counting objects such as apples in a fruit bowl or how many stairs there are in your house. You can also help them with their number recognition by pointing out numbers when you are out and about. eg. Door numbers, numbers on sign posts and numbers on car number plates.

POP - IN

Don't forget our pop - in next **Wednesday** when you are invited to come into the classroom to play with your child, look at their learning journey and chat to the adults.

Thank you to everyone who has sent in sponsor money for our sponsored bounce. There is still time to send in any money you have collected.
