

# Year One Weekly Newsletter

24 April 2017

Welcome back to a new term, we hope that you had a lovely break! We have had a busy start to the new term. As part of our 'How does your garden grow?' topic we will be learning lots of information about plants, flowers and growing.

This week we have planted seeds and over the coming weeks we will be observing how our plants have grown.

## Baking

We will be continuing our weekly cooking session and are asking for a termly contribution of £2 to cover the cost of ingredients. Please send your contribution into school in a named envelope marked 'baking'.

## Maths Challenge!

Collect a variety of items from around your house. Can you order them using your own criteria, for example from shortest to longest?

Can you use the language longer, shorter, biggest, smallest etc. to compare them?

## Writing Challenge

Make a simple sandwich. Write step by step instructions as to how you made it. Remember to use bossy verbs, e.g. put and time connectives, e.g. first, next etc.

## Railway walk

Next week we will be going on a railway walk to see what plants and flowers we can find. We will be taking lots of photographs and researching what we have found. If there are any concerns please contact your class teacher.
