

Year One Weekly Newsletter

24 February 2017

Welcome back to a new term, we hope that you had a lovely break! We have had a busy start to the new term. As part of our 'All Creatures Great and Small' topic we will be learning lots of information about animals. We will be using the book 'Big Blue Whale' as the stimulus for a lot of our work.

Next Tuesday is Shrove Tuesday. Please encourage children to find a simple pancake recipe to read. Perhaps they could even help to make a pancake at home.

Writing Challenge

Next Thursday we will be dressing up as a fairy tale character for World Book Day. Draw and describe your favourite character. Don't forget to say what they look like and how they behave using some exciting adjectives.

Maths Challenge!

This week we've learnt that a blue whale can grow up to 30 metres long. Can you find out how tall these other animals can grow and draw and label a picture of them in size order?

World Book Day

Remember that next Thursday is World Book Day and children are invited to come into school dressed as a fairy tale character. Children will be encouraged to talk with their friends about the character they have chosen. They will also be taking part in World Book Day activities in school.
