

Year One Weekly Newsletter

03 February 2017

Half term

Next week is our last week of term. The last day for the children is Friday 10th February and they return to school on Monday 20th February.

Fact or fiction?

Next term we will be learning about information books and the difference between fiction and non-fiction. Children will be looking out for features of non-fiction books such as a contents page, a glossary and an index. Please encourage children to look at any books at home or in the library. Are they fiction or non-fiction? How can they tell?

Writing Challenge

Next term we will be learning about animals including those that live under the sea. Can you find out any interesting facts about these animals to share with the class? Remember to add a picture to your work.

Maths Challenge!

Time

Please continue to encourage children to notice the time on a clock when it is o'clock or half past the hour. Where are the hands on the clock? Ask questions related to the time for example, it is 4 o'clock what time will it be in one hour? What time will it be in two hours?

E - Safety Pop in

All parents are invited to come into school on Thursday 9th February from 9.15 - 10.00 am for our E-safety pop-in. The children will be sharing some work and we will be having a guest speaker to speak to parents and children.

Spellings

This week's spellings will be the last ones that are sent out before half term. New spellings will be given out during the first week back to school.
