

# Year One Weekly Newsletter

27 January 2017

We have had another busy week in year one learning about fairy tales. The children have written the story of Little Red Riding Hood and they particularly enjoyed their baking with Miss Knowles. They measured out ingredients using their maths language and cooked porridge like in the story of Goldilocks.

## URGENT - SPARE CLOTHES PLEA

We urgently need any of the following: tights, pants, skirts, trousers and socks. Can we please remind anybody that has borrowed any of these items from school in the past to return them as soon as possible.

## Writing Challenge

This term we have been learning about materials. Encourage children to choose some objects from around their home and see if they can tell you which material they are made from. They could draw a picture of the object in their homework book and label the picture with the material or materials that it is made from.

## Maths Challenge!

### Time

By the end of year one, children are expected to be able to tell the time using the language of o'clock and half past. Encourage children to notice the time on a clock when it is o'clock or half past the hour. Where are the hands on the clock? Encourage children to notice particular times that they do things in the day such as the time they wake up and the time they have their tea.

## E - Safety Pop in

All parents are invited to come into school on Thursday 9th February from 9.15 - 10.00 am to come and see what the children have been learning about E-safety.

## Head Lice

There have been several cases of head lice throughout school this week. Please read through the separate letter that has been sent home for hints and tips about how to treat head lice effectively.
