

Year One Weekly Newsletter

15 October 2016

Hello Everyone,

Next week is the last one for this half term. The children have worked really hard and are already beginning to make progress.

We will give you detailed information at the parent consultations on Tuesday 18th October.

If you haven't made an appointment please see the class teacher as soon as possible.

Maths Challenge!

It's time to dust off those board games and get together as a family and play! Use one dice or two dice for more of a challenge. Add numbers together or make up rules (eg: an odd number gets an extra throw).

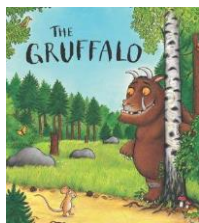

Notice the pattern of numbers on the board. Where are the multiples of 10, 5, 2?

Writing Challenge

Draw a picture of your favourite story. Write about why it is your favourite story. Which characters are in the story?

Sponsored Bounce

We are planning to hold a sponsored bounce on **Friday 21st October** to raise funds for school activities.

If you can help to count bounces on the day please let your child's class teacher know.

Reminders

- We break up on Friday 21st October for half term. The children return to school on Tuesday 1st November.
- There will be no after school sports club on next week because of parent consultations.
