

# Year 2 Weekly Newsletter

12 May 2017

Hello Everyone,

## Cooking skills

Next week we are making salad wraps in our cooking session.

If you haven't made a contribution of £2 to cover the cost of ingredients, please send your contribution into school in a named envelope marked 'baking'.

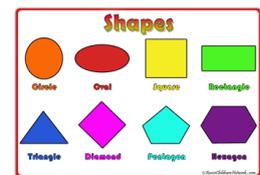

## What are we learning about this week?

### Election Campaign 2017

As you know there will be a general election on June 8th. We are going to hold a school election on the same day. During the next couple of weeks we will be developing our policies, choosing our candidates and preparing for our campaign. Can you find out about the election? What is it all about? Who chooses the victor? How?

### Maths

We are learning about shape. Can you spot examples of 2D and 3D shapes around you? Remember they don't have to be regular shapes, any shape with 6 sides and 6 vertices is a hexagon etc Can you spot any symmetrical shapes or patterns? You could take photos of what you find.

## How are your sunflowers doing?

If you haven't already made a diary of pictures and measurements you still have time to do it.

You can take photos and describe how your sunflower is changing each week. It will soon be time to plant them out but remember to keep them well watered.

## Library Club

Library club takes place each Thursday from 3:30-4:30. It is an opportunity for parents to come along with their children to read stories and choose books to borrow.

## Bike Club

Bike club is on Thursday from 3:30-4:15 for those children who have been notified.

If the weather is bad and we have to cancel we will notify you via Facebook and Class Dojo by 2:45 on the day.

## End of Year Assessment Tests.

We will be undertaking our end of year assessments between the 8th and the 19th May, it is very important that all children are here every day during this period.
