

Year 2 Weekly Newsletter

16/09/16

Hello Everyone,

As a Healthy School we aim to educate children to make wise choices about what they eat and drink. We encourage all children to have a piece of fruit and a drink of water or milk at break time. If you want your child to have milk please pick up an application form at the office. Children have access to drinking water at any time during the day and at lunchtime; they don't need to bring drinks bottles to school.

Homework

We are already having some children returning their first piece of homework - well done!

Don't forget to complete your chilli challenge. Details are in your homework diaries or on the back of the first week's newsletter.

Weekly Expectations

Writing

Next week we are beginning to think about non fiction texts and how they differ from fiction. We will be looking at the difference between statements and questions and writing our own. You can help by talking about these things when you are listening to your child read.

Maths

In maths we are learning to

- Count backwards from any 2 digit number eg 51, 50, 49 etc.

We are investigating

- Can an addition sentence be done in any order? Eg is $14+5$ the same as $5+14$?
- Can subtraction be done in any order? Eg Is $14-5$ the same as $5-14$?

Forthcoming Events

Weekly parent Pop-in *New Date!*

You are invited to join us in class with your children each Monday at 3:00pm from 26/09/2016 when you will have a chance to find out what your children will be doing each week and how you can help them.

Macmillan Coffee Morning and Harvest Festival

Our Harvest celebration and coffee morning is on Friday 30th September. Year 2 parents are invited to see their children singing at 10:45.

Reminders

Please don't send children to school if they have been sick or had a poorly tummy during the previous night or that morning. They need 48 hours for the bug to clear out of their system.
