

Year 2 Weekly Newsletter

30/09/16

Hello Everyone,

It was lovely to see so many of you at the Pop-in sessions. We hope you found it useful. The focus for Monday 3rd October is maths.

We are aware of some views about what we are trying to do but we would really love to have more feedback. How can we make the sessions more useful to you? What would help you to support your children at home? Are you able to attend? Each class will have a comment book please add your thoughts, or send us a message on class Do-jo.

Weekly Expectations

Writing and reading

We are continuing to write questions and look for them in texts. We are using information texts to find out about nocturnal animals. Can you read about an animal and answer questions about what you have read?

Maths

We will be partitioning numbers in different ways, eg $35=30+5$ or $20+10+5$ or $20+15$ or $10+10+10+5$ etc

We will be adding and subtracting 10 by quick recall. Eg $35+10=?$ $35-10=?$

Homework

Don't forget to complete your chilli challenge. Details are in your homework diaries or on the back of the first week's newsletter.

We have had some great pieces of homework returned already– look at these photos!
