

Year 2 Weekly Newsletter

21/10/16

Hello Everyone,

Next week is half term. The children break up today and return on Tuesday 1st November. We hope you all enjoy the break. We would encourage you to keep up reading practise over the holiday, remember the library is a free resource that can be used by everyone.

Weekly Expectations

English

We will be reading a lovely picture book called 'Spells'. We will be using the pattern of the story as a model for writing. The book is in the form of a long poem. Can you find any other poems to read?

Maths

We will be doing more addition and subtraction practise. What are the biggest numbers you can add and subtract accurately?

Student Teacher

We currently have a student teacher in Year 2, she will be doing some research into our learning environments. If anyone has questions please call to talk to Miss Knowles.

New Homework Task

Here are a couple more pictures of your great homework projects.

You will find the new Chilli Challenges for next term in your child's homework diary.

Sponsored Bounce

The children enjoyed the sponsored bounce today. Please send in your sponsor money as soon as possible after the

Sports Club

There are no sports clubs after the holidays as the clocks change, the nights are darker and the weather is less reliable! They will restart in the spring term.

Class Dojo

We have found Class Dojo to be a really useful way of communicating between home and school and letting you get a picture of what your children are doing in class. Thank you for all of your positive feedback from our weekly posts. However if you have any important messages or concerns about your child or their school work please see the teacher personally at the beginning or end of the day so that these matters can be more effectively dealt with.
