

Year 2 Weekly Newsletter

24.02.17

Hello Everyone,

What a busy week back at school we have had! We have had a great visit to Skegness Aquarium. Make sure you check the Blog to see the photos.

We hope that lots of you will take the opportunity to enrol on the family learning courses we have coming up next month. If you didn't receive a leaflet this week please pop into the office.

What are we learning about this week?

English

Non-fiction texts. Can you find any information books or leaflets? Can your child tell you about what they have learnt about non-fiction texts?

Spelling

We have been looking at words ending in er and est. Whilst reading together can you spot any er or est words in their books?

Maths

Next week we will be learning about Fractions. There are some great games on Mathletics which will introduce this.

We have found that although the children are learning their spellings well and performing well in their spelling test they are not applying it in their daily classroom writing. So as a result we have decided to focus on the application of spelling in their writing which means that there will be no spellings to practice at home. However, we may send home activities relating to the sounds and strategies that we are covering in class.

World Book Week

Don't forget that it is World Book Day on Thursday. The theme for dressing up is Fairy Tales such as Jack and the Beanstalk, Little Red Riding Hood, Cinderella, Three Little Pigs and Alice in Wonderland. We look forward to seeing their costumes. They can also bring in their favourite book to share with the class. Please remember to name the books.

End of Year Assessment Tests. We will be undertaking our end of year assessments between the 8th and the 19th May, it is very important that all children are here every day during this period.
