

# Year 2 Transition Newsletter

## Assessments

Year 2 assessment tests will be taking place from 08/05/17 to 19/05/17. The children have been doing similar assessments throughout the year and they are treated as part of our normal teaching. We want to reassure you and the children that the results of these tests are only a small part of the information we have about their progress and our final assessment is based on our knowledge of their achievements throughout the year, not this one test. This information is shared with their junior school teachers.
