

Eastfield Infants' and Nursery School Long Term Planning

Year One Spring 1

As readers we will:

- Read books aloud accurately, re-reading them to build up our fluency and confidence.
- Explain our understanding of what we read and predict what might happen in stories.
- Link what we read or hear to our own experiences and tell others of similar things that have happened to us.

As writers we will:

- Write correctly punctuated sentences.
- Learn about the different types of closing punctuation and use these correctly in our sentences.
- Extend our sentences by using connectives such as and, so, but and because.
- Practise writing neatly using the correct letter formation and begin to join our handwriting.

As designers we will:

- Explore and evaluate a range of different puppets.
- Design our own cone puppets.
- Select appropriate materials to make our own cone puppets.
- Make and decorate our puppets using appropriate tools and techniques.
- Evaluate our puppets, deciding what we like and how they might be improved.

As mathematicians we will:

- Practise our number bonds - finding pairs of numbers that make numbers to 10 and 20.
- Practise counting forwards and backwards in steps of 2, 5 and 10.
- Identify the addition, subtraction and equals signs in calculations and learn about the difference between addition and subtraction.
- Add and subtract one-digit and two-digit numbers to 20.
- Solve word problems involving addition and subtraction.
- Solve missing number problems such as $7 = ? - 9$

As scientists we will:

- Identify materials that are used to make different toys.
- Compare and group these materials, talking about their different properties.
- Explore why different materials are used to make different types of toys.

As historians we will:

- Find out about the history of Lego, and about its creator Ole Kirk Christianson.

Everyday we will:

- Develop our social skills through circle times, PSHE sessions and class discussions.
- Develop our fine and gross motor skills through a variety of physical activities.
- Develop our knowledge of the world around us.
