

Year 2 Spring 1

What might there be under the sea?

Topic Work

The hook for our topic this term is the story of Traction Man, a Superhero who enjoys lots of adventures.

Topic work for the first part of the Spring term focuses on a Design and Technology Unit. The children will be using their imagination and creativity to design an amphibious vehicle suitable for Traction Man's adventures on land and in the sea.

RE: New Year's Resolutions, targets and goals.

Learning about Islam.

PSHE: respect for self, others and environment

ICT: E-safety Day, using words, graphics and sound to make an E-safety presentation.

Maths: ongoing daily maths lessons will focus on numbers, counting, place value and calculation, fractions, multiplication and division.

Cross curricular maths
