Dear Parents and Carers

The Governing Bodies of both Eastfield Infants' and Nursery School and Lacey Gardens Junior School have determined that they will investigate academy status and the joining of an academy trust. After much investigation the Governors feel that WellSpring Academy Trust is a good match to the schools' needs and therefore have decided to start a consultation process with staff and parents.

There are two meetings planned which we hope that you will be able to attend one of, both are in the School Hall at Eastfield Infants and Nursery School.

The first meeting is at 5.30pm, the second at 7pm on Thursday April 26th

Please note that you should attend without children to enable you to be able to listen and focus on the information being given. If you have any questions either before or after the event, please either speak to the Headteachers, Mrs Akhurst and Mrs Tuff or email the dedicated email address which will be delivered to the Headteachers, Assistant Headteachers and the Clerks to the Governing Bodies.

Please read the attached leaflet for more information.
